Milestones Living Museum.

Why not come with us as we have arranged a very different indoors day out to Hampshire's Milestones Living History Museum, an attraction bursting with nostalgia and history. Elizabeth and Alan have visited Milestones and highly recommend this outing as a lovely day out during the winter month of February as it is and indoor venue, with cobbled streets and recreated buildings, you can relive the good old days from Victorian times to the 1940s. From the moment we arrive at Milestones Living History Museum we are transported back in time in an immersive experience perfect for all ages. Wander the cobbled streets to discover a variety of buildings and shops. Discover the 1940s sweet shop, Abraham's, to stock up on rationed treats, visit the Baverstock Arms for a refreshing pint and stop at the Rooftops Café. Split across 2 levels, Milestones also includes a painstakingly recreated saddler, ironmonger, milliner and more, giving us a glimpse into historical life. If you are visiting with children or just looking for a fun day out, check out the boardwalk to discover the history of piers and enjoy traditional beach scenes with photo opportunities and fun mirrors. Visit the penny arcade to discover a selection of vintage arcade games such as penny machines and claw grabbers. There is even a Teddy Bear Museum featuring over 260 vintage bears. One of the main highlights at Milestones Living History Museum is the vintage vehicles. This impressive collection includes restored vehicles such as a Victorian tram, a Romany caravan, classic motorbikes and a steam-powered fire engine. There are plenty of options to refuel on your day of adventure with the Baverstock Arms, the perfect spot for refreshments, a vintage tea tent where you can enjoy a selection of cakes and drinks or the Rooftops Café where main meals, light bites and children's options are served daily. This the perfect day out, to enjoy yourself and rekindle memories but **indoors so there is no need to worry what the weather is doing**.
