Strictly behind the Seams.

As we start a New Year what an outing with a difference have we for you? Are you a fan of Fashionista? Are you a Strictly Come Dancing fan? If you are, this is the outing for you. With the recent series of Strictly Come Dancing having ended on BBC Television, why not come with us as we explore Strictly behind the Seams. Step into the dazzling world of dance, sparkle and showbiz glamour on this unique day trip to the studios of Strictly Come Dancing costume specialists. We make our way to the South London headquarters of DSI London, the internationally renowned costume house responsible for many of the breathtaking ballroom and Latin outfits seen on television's favourite dance show. Here, you'll enjoy the fascinating Behind the Seams Tour, an exclusive opportunity to discover how some of the most iconic dance costumes are designed and created. For fans of Strictly, this experience is truly special. During the guided tour you'll go behind the scenes to see where the magic happens – from the vibrant fabric rooms to the sparkling crystallising section where costumes are transformed into the dazzling gowns seen on screen. You'll hear the stories behind the costumes, learn about the craftsmanship that goes into every dress and suit and gain a fascinating insight into how designs come to life for the ballroom floor. Our two-hour immersive experience offers an inspiring look at the artistry, skill and sparkle behind the scenes of the dance and entertainment industry.
